

Aliens law

We can help you with all your questions relating to Dutch aliens law, both in the application stage, in your contacts with the IND (Immigration and Naturalisation Service) and the Visa Service as well as at any court proceedings.

If required, we can take care of your complete MVV (authorisation for temporary stay) application if you want to have a family member, relative or employee come over from abroad.

We can assist you with matters concerning the issue, extension or withdrawal of your residence permit.

We can advise you on and assist you in all matters relating to naturalisation, legalisation of documents, marriage to a non-Dutch citizen, application for a work permit etc.

We offer advice on and grant legal aid for asylum applications as well as in cases of non-extension or withdrawal of status granted.
